DESCRIPTION

High power loudspeaker

FONESTAR has developed the FPRO range of high power loudspeakers, made of wood with high quality components and wide frequency response.

They offer a powerful sound with great nuances, especially designed for installations that require high quality and powerful speakers.

Excellent granulated paint finish,

Suspension points for suspended installation and hole in the base for 35 mm tube for mount installation. Front metal grille ensures speaker integrity.

Perfect for disco-mobile applications, discos, pubs, gyms, restaurants, events or parties, etc.
