DESCRIPTION

Pair of active Hi-Fi speakers

Great sound quality, robust construction in MDF wood and an ideal aesthetic to integrate in any room.

A wide range of playback options and audio inputs make it highly versatile and adaptable.

High efficiency class D amplifier.

Audio inputs with RCA connections.

Powerful, distortion-free sound that provides a precise playback of your music.

Passive speaker output with RCA connector with 10 m cable.

Includes remote control for remote control.

Its simple and intuitive use minimizes setup time depending on the use.

For use in the home as well as in classrooms, offices, presentations and small sound systems.
