COMPACT STEREO AMPLIFIER

- ✓ Great reliability and sound quality.
- ✓ Compact size
- ✓ For surface mounting
- ✓ Easily hidden

ESPECIALLY RECOMMENDED IN:

All sectors

DESCRIPTION

Class D stereo amplifier, 2 x 15 W RMS with remote control.
Compact and robust construction. Remote control for power and volume.
Volume control with motorized potentiometer. Highly efficient class D amplification circuit.
Specially designed for audio installations which require high reliability and quality sound.

TECHNICAL CHARACTERISTICS

+ Info:
