DESCRIPTION

Megaphone with siren, USB/SD player, 15-second recorder, rechargeable lithium battery and hand-held microphone.

Megaphone with USB/SD siren

Portable megaphone with 25 W power.

It can be heard with high intelligibility over long distances in noisy environments and outdoors.

In addition, it incorporates:

- USB/SD player to play pre-recorded messages and siren for alarm situations.
- 15-second recorder
- Ergonomic handle that allows a firm and comfortable grip.
- Trigger type button for activation.
- Strap for safety, ease of use and transport.
- Microphone in the body of the megaphone.

Rechargeable lithium battery of 1,300 mAh with a battery life of more than 3 hours. In addition, it can also be powered by batteries or 12 V DC input.

Ideal for demonstrations, street vending, outdoor team management, sporting events, emergency announcements, etc.
