## DESCRIPTION

Halogen spotlight size ceiling loudspeaker

Modern frameless design with aluminium grille and halogen spotlight size makes it unnoticeable in any installation.

It delivers crisp, clean sound, perfect for both speech and piped music.

Wide coverage angle of 120° allows a larger area to be covered depending on the ceiling height.

It has a quick installation system that minimizes assembly time.

For background music and voice announcements in 100 V line installations in offices, small shops, restaurants, waiting rooms, etc.
