DESCRIPTION

High power loudspeaker

FONESTAR has developed the FPRO high power loudspeaker range, made of wood with high quality components and wide frequency response.

Speakers that deliver a powerful sound with great detail, specially designed for installations requiring differential loudspeakers.

Excellent grain paint finish.

Suspension points and hole in base for 35 mm tube for suspension or stand installation.

Front metal grille ensures speaker integrity.

Perfect for disco-mobile applications, discos, pubs, gyms, restaurants, events or parties, etc.
