

TV-PHONES

OVER EAR TV HEADPHONES

DESCRIPTION

TV headphones

Ergonomic design, ultra-light weight and foldable.

Maximum comfort and freedom of movement thanks to the shape of the headband, which adapts perfectly to the head; perforated leatherette ear pads, which improve breathability during long hours of use; and single-sided cable exit. You won't notice you're wearing them.

Stereo speakers, providing high quality sound.

Detachable 5 m cable with textile cover and volume control. It connects to the headphones via 3.5 mm stereo jack.

Carrying bag included.
