Case study voco an IHG Hotel

With a rock solid four pillar foundation, Loud of Sweden is the only company in the world providing these combinations.

Music zones

Audio matrix & control system

DSP88

Network audio interface machine analogue 4x4 and Dante 4x4 matrix with the control system software in html for your browser.

Using a html software it provides users with more intuitive operation experience and more intelligent audio processing experience

Lobby

Wall speaker WWS1

Wired wall speakers WWS1 provides a full sound but requires only a small space on the wall. In this area the speakers are set in 100V 20W mode.

Restaurant

Wall speaker WWS1

Wired wall speakers WWS1 blends in nicely. They are HiFi graded and has a nice design as well as great sound.. In this area the speakers are set in 100V 20W mode.

Buffet

Ceiling speaker CS1

Wired ceiling speakers CS1 provides a good sound and with its frameless magnetic grill the speakers becomes a natural part of the ceiling. In this area the speakers are set in 100V, 30W mode.

Gym

Ceiling speaker CS1

Wired ceiling speakers CS1 has a low profile grill and blends very well with the ceiling and gives a nice ambient sound. In this area the speakers are set in 100V 30W mode.

Spa

Wireless speaker S2 & transmitter B2D

Wireless speakers S2 provides a great sound. Mounted seamlessly in the spotlight tracks the speakers becomes a natural part of the Interior. The transmitter has a direct connection to the Dante system provided by DSP88.

Pool

Wall speaker WWS1

Wired wall speakers WWS1 has an IP65 rating meaning the product has the highest level of dust protection, and is able to withstand low-pressure water jets from all directions.

In this area the speakers are set in 8 Ohm mode and are powered by our mini Amp 40 connected to a Dante output interface connected to DSP88.

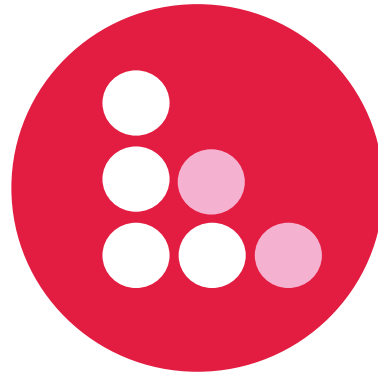

Terrasse

Wall speaker WWS1

In this area the WWS1 speakers are set in 8 Ohm mode and are powered by our mini Amp 40 connected to a Dante output interface connected to DSP88. The IP65 rating assures outdoors installation.
